

GIFT VOUCHER SOLUTION CHECKLIST

| ABOUT THE BUSINESS | SK CHASE | OTHER |
|---|---|-------|
| Will our hotel or resort be in safe hands? | ✓ Established business with procedures that have evolved & improved over a 13 year period with healthy financials | |
| A portfolio of luxury hotel clients | ✓ 330+ luxury hotels & resorts | |
| Commitment to investing in technology | ✓ Continual investment in technology to ensure that it stays at the leading edge of the industry, at no extra cost to clients | |
| Company culture | ✓ Passionate team who are dedicated to making it easy for our clients to provide a gift voucher service befitting their luxury brand and expected by their customers | |
| Pricing | ✓ Fair & transparent - no hidden extras. Commission based model: the more vouchers sold, the lower the commission | |
| Security awareness | Regular external security penetration tests conducted; PCI DSS compliant | |
| Investment and ongoing commitment to providing a robust and secure infrastructure | ✓ Significant spend on servers, hosting & performance monitoring to guarantee business continuity all year round | |
| Merchant services (i.e. hotels do not have to set up their own merchant account) | ✓ Main partner – SagePay; backup payment gateway in place | |
| Accumulated funds to be 'assertive' with market growth | ✓ Consumer website launched in 2015 that offers new distribution opportunities, helping clients reach a wider customer base, thus growing their voucher sales | |
| Value for money | ✓ Proven results on gift voucher development & growth AND cost saving in terms of internal resource - we manage much of the day to day tasks around gift vouchers | |

| SOFTWARE & SERVICE | | |
|--|--|--|
| Sales platform design | ✓ Agile, intuitive, clean design with lots of opportunities to reflect venue's brand | |
